Completely Pain-Free Menstruation and Unhindered Active Lifestyle

Summary:

Severe menstrual pain used to prevent me from working or exercising.

Six years ago, I switched to Saukhyam pads, and for the past two years, I have been completely pain-free. I can work out, practice yoga, and travel without any discomfort. The pads dry quickly, do not stain, and maintain a high standard of hygiene. They are incredibly soft and feel much better than commercial plastic alternatives.
