Heavy Bleeding and Irregular Cycles Stabilized Naturally

Tags: Heavy Flow, Irregular Periods, Period Cramps, General Health, Long-term

Duration of Use: 3 Years

Summary:

I struggled with heavy flow and irregular periods for years, which made my work as a teacher highly challenging. The constant worry about leaks, combined with painful cramps, left me exhausted. After switching to Saukhyam pads three years ago, I noticed a dramatic reduction in my period pain. My cycles became regular, and the excessive bleeding normalized. The high absorption of natural banana fiber gave me the confidence to carry out my teaching sessions without any discomfort or anxiety.
