

On my page

What is a CARE-A-THON

<https://www.linkedin.com/feed/update/urn:li:activity:7375536789207445505/>

Why CARE talks of the climate

<https://www.linkedin.com/feed/update/urn:li:activity:7433195415644274688/>

(Replace school girl in this post with college girl)

CARE across campuses in India

<https://www.linkedin.com/feed/update/urn:li:activity:7376887839843819520/>

Many colleges actually work with us for CARE, REACH and HEAL

<https://www.linkedin.com/feed/update/urn:li:activity:7382083869518385153/>

On Saukhyam Foundation page

One of our most successful implementations of CARE this past semester

<https://www.linkedin.com/feed/update/urn:li:activity:7455160196948996097/>

Has 7 reposts with nice comments from all ambassadors

The CARE Ambassador program has revolutionised the [Azim Premji University](#) campus. I would recommend all institutions in [India](#) to start a CARE Ambassador programme on their campus.

We can add this quote as social proof

https://www.linkedin.com/posts/anor-bhaskar-4426189_india-ugcPost-7455179944701112321-g0NT/

Although free distributions are mentioned here, we don't really do free distributions as part of CARE

CARE has received 2 awards already but I think we posted on instagram not on linkedin
